

## Presidents Message May 2008

Dear Members,

Our next Chamber meeting will be May 21<sup>th</sup> at the Meadow Club on RT.112 5:30 to 6:30 will be cocktail hour and net working followed by a guest speaker ( TBA ) and chamber business . This will be our last dinner meeting until September 2008. We will be holding wine & cheese party and net working. We are planning other events such as garage sale & possible a BBQ at the RR. Car so look at our newsletter and mark your calendar. September is when we send out our membership renewal notice and after that we will be cutting back on newsletters sent. So if you want to keep receiving the newsletter you will have to become a member. It is importer to know that the Tourism information RR. Car on the corner of RT.347 & RT.112 is the focal point of our commute and as of May 3th we are open to receive visitors on week ends from 11:00am to 2:00pm. Our tourism committee is seeking VOLUNTEERS to help staff the train on the week ends through the season. Please try to give a little of your time and if every one gives just that little bit we won't put the full burden on the few dedicated committee people. Please call Mike Poveromo president of Family time party rentals at 474-7098 or myself at 331-1444 for details. Mike is also the executive director of the RR. Car and if weren't for him and his staff we may have not been able to open the car this year. Enjoy the summer and I hope to see you at this up coming meeting and at some of our events.

Sincerely,

Joe Savastano President
